Francisco Chroticle: Preparatory Work to be Entered Upon at opened the fall sason of the Baldwin the that the August Scott. T. J. Sallivan, the basse, same well in the solo, "Why do the Nations Rage," and gave fair satisfaction in the stirring air "The Trumpet Shall Sound," to which latter the cornet obligate is such a noticeable accompaniment. But Mr. Sallivan's voice is confessedly light on the lower registers.

Preparatory was Conce.

James Johnson, Senior, postmaster, received an order, by mail, this (Tnesday) morning, from the postoffice department, at Washington, directing him to have an engineer make a survey of the postoffice lot at the corner of High and Spring and report is confessedly light on the lower registers.

Preparatory was Conce.

James Johnson, Senior, postmaster, received an order, by mail, this (Tnesday) and the theater ben twice its present size it would not have acommodated all who sought to enter. It was a fashionable jam. The performance was particle and nevel, and nearly of the performancespring into immediate favor. The overturned Excolsior was given with the effect, and powed the vocal power of the organization tradition to advantage; and in the
